CRD No. 11025

Pursuant to FINRA Rule 9216, Respondents Wells Fargo Advisors, LLC (n/k/a/ Wells Fargo Clearing Services, LLC) (WFA) and Wells Fargo Advisors Financial Network, LLC (WFAFN) submit this Letter of Acceptance, Waiver, and Consent (AWC) for the purpose of proposing a settlement of the alleged rule violations described below. This AWC is submitted on the condition that, if accepted, FINRA will not bring any future actions against Respondents alleging violations based on the same factual findings described in this AWC.

I.

ACCEPTANCE AND CONSENT

A. Respondents hereby accept and consent, without admitting or denying the findings and solely for the purposes of this proceeding and any other proceeding brought by or on behalf of FINRA, or to which FINRA is a party, prior to a hearing and without an adjudication of any issue of law or fact, to the entry of the following findings by FINRA:

BACKGROUND

WFA is a full-service broker-dealer and has been a FINRA-registered firm since 1987. WFA has nearly 22,000 registered representatives located in approximately 5,700 branches and its home office. It maintains its principal place of business in St. Louis, Missouri. In November 2016, Wells Fargo Advisors, LLC merged with First Clearing, LLC to become Wells Fargo Clearing Services, LLC.

WFAFN also is a full-service broker-dealer that became a FINRA-registered firm in 1983. WFAFN is under common control with WFA and has approximately 1,400 registered representatives and more than 500 branch offices.¹ WFAFN maintains its principal place of business in St. Louis, Missouri.

OVERVIEW

Between January 1, 2011, and December 4, 2016, WFA and WFAFN failed to establish and maintain a supervisory system reasonably designed to supervise representatives' 529 plan share-class recommendations in violation of MSRB Rule G-27. The firms shared written supervisory procedures that did not reasonably address the share-class suitability factors specific to 529 plan investments. In addition, the firms' transaction review system was not reasonably designed to identify 529 share-class recommendations that were inconsistent with the investment time horizon suggested by the age of the account beneficiary.

As described more fully below, FINRA credits Respondents for their extraordinary cooperation. Accordingly, this AWC includes an order of restitution of approximately \$3.3 million, plus interest and a censure, but no fine.

FACTS AND VIOLATIVE CONDUCT

This matter originated from FINRA examinations of WFA and WFAFN.

Background—529 Plans

529 plans are tax-advantaged municipal securities that are designed to encourage saving for the future educational expenses of a designated beneficiary.² 529 plans are sponsored by states, state agencies, or educational institutions. States offer 529 plans directly, through designated broker-dealers, or both.

Shares of 529 plans are sold in different classes with different fee structures.³ Class A shares typically impose a front-end sales charge but charge lower annual fees compared to other classes.⁴ Class C shares typically impose no front-end sales charge but impose higher annual fees than Class A shares. Because of their higher annual fees, Class C shares may be more expensive over extended holding periods and, consequently, Class A shares are frequently the suitable option for accounts with younger beneficiaries and longer investment horizons.⁵

The cost of a Class A share versus a Class C share can be meaningful for an investor. For example, applying the fee structure of one 529 plan commonly sold by Respondents between January 2011 and December 2016, a customer who initially invested \$10,000 in Class C shares and held those shares for eighteen years would pay approximately \$1,300

² 529 plans are named after Section 529 of the Internal Revenue Code (26 U.S.C. § 529), which grants tax-exempt status to qualified tuition programs.

³ A 529 plan is structured as a trust. A customer purchases "units" in the trust.

⁴ Additionally, some 529 plans reduce front-end sales charges if the aggregate amount invested meets certain thresholds—known as breakpoint discounts.

⁵ Class C shares may be suitable for accounts with younger beneficiaries based on the customers' particular facts and circumstances. As of January 1, 2018, new amendments to the United States tax code permit 529 plan customers to withdraw tax-free up to \$10,000 per beneficiary, per year, for tuition in connection with enrollment or attendance at a public, private, or religious elementary or secondary school. This AWC addresses conduct prior to January 2018.

more in fees and expenses than if the customer had invested the same amount in Class A shares. Moreover, the total value of the customer's 529 plan account for this period would be worth approximately \$1,500 less than an account that instead was invested in Class A shares.⁶

MSRB Rules Relating to 529 Plan Share-Class Recommendations

Because 529 plans are municipal securities, the sales of 529 plans are governed by the rules of the Municipal Securities Rulemaking Board (MSRB). MSRB Rule G-19 requires a broker, dealer or municipal securities dealer to have a reasonable basis to believe that a recommended transaction involving a municipal security is suitable for the customer, based on the information it obtained through reasonable diligence to ascertain the customer's investment profile. A customer's investment profile includes, among other factors, the customer's investment objectives.

The MSRB has stated that information regarding a 529 plan's designated beneficiary should be treated as information relevant to the customer's investment objectives for purposes of MSRB Rule G-19. Specifically, the MSRB has stated that information such as the age of the beneficiary and the number of years until the funds will be needed to pay the beneficiary's education expenses generally would be relevant in weighing the investment objectives of the customer.⁷

MSRB Rule G-27(a) requires each broker, dealer, and municipal securities dealer to supervise the conduct of its municipal securities activities to ensure compliance with MSRB rules and federal securities laws. MSRB Rule G-27(b) and (c) require each firm to establish and maintain a system, and to establish, maintain and enforce written supervisory procedures, to supervise its municipal securities activities in a manner that is reasonably designed to achieve compliance with MSRB rules and the federal securities laws.

Respondents' 529 Plan Business

During the relevant period, Respondents were the designated broker-dealers for over 20 state-sponsored 529 plans.

Respondents' Supervisory System Regarding 529 Plans

WFA and WFAFN shared written supervisory procedures that addressed 529 plan recommendations. The procedures required supervisors to review the suitability of 529 plan recommendations, and identified general suitability factors for 529 plan investments, including fees and expenses.

⁶ This example assumes a 5% annual rate of return for both Class A and Class C shares, no enrollment fees or annual maintenance fees and no share-class auto-conversion feature.

⁷ MSRB Notice 2006-23, *Interpretation on Customer Protection Obligations Related to the Marketing of 529 College Savings Plans* (Aug. 7, 2006).

All 529 plan purchases required supervisory approval. The firms shared an electronic alert system that was central to supervisory review of accounts and transactions. The system alerted supervisors to potential sales practice issues in various products using predefined parameters. For example, the system generated alerts for large 529 plan purchases that potentially qualified for breakpoint discounts. If the system generated an alert, the supervisor was required to address the alert and document that supervisory action in order to approve the transaction. If the system did not generate an alert, no additional supervisory review or action for that particular transaction was required.

Respondents' supervisory system for 529 plans did not reasonably address share-class suitability and did not detect share-class recommendations that were likely inconsistent with the suggested time horizon for those 529 plan investments.

WFA's and WFAFN's system for supervising representatives' 529 plan share-class recommendations during the relevant period was not reasonably designed to achieve compliance with the firms' suitability obligations as set forth in MSRB Rule G-19.

The firms' written supervisory procedures for 529 plans did not specifically address the relationship between account beneficiary age, the number of years until funds would be needed to pay qualified education expenses, and 529 plan share-class suitability. Instead, they merely referenced suitability factors generally applicable to all investment products, such as fees and expenses, investment objective and risk tolerance.

The firms' electronic alert system did not include parameters to identify 529 plan share-class recommendations that appeared to be inconsistent with the age of the account beneficiary or the account's stated investment horizon. For example, the system would not generate an alert for the purchase of 529 plan Class C shares in an account for a one-year-old beneficiary, for whom it would presumably be many years before the funds would be needed to pay education expenses. Because no alert would be generated for that recommendation, no additional supervisory review, action, or documentation was required to approve the transaction. As a result, Respondents failed to provide supervisors with the tools to alert them to Class C share recommendations that may have been inconsistent with the account beneficiary's age.

In sum, WFA and WFAFN did not reasonably supervise 529 plan share-class recommendations and failed to identify Class C share recommendations that were inconsistent with the share-class recommendations suggested by the age of the account beneficiary. The firms have agreed to pay restitution and estimated interest of \$3.9 million to customers who incurred excess fees from Class C share purchases.

Therefore, Respondents each violated MSRB Rule G-27(a), (b), and (c).

CREDIT FOR EXTRAORDINARY COOPERATION

In resolving this matter without a monetary fine, FINRA has recognized WFA's and WFAFN's extraordinary cooperation. The firms provided substantial assistance to FINRA in its investigation by: (i) conducting a qualitative review of their supervision of

529 plan share-class recommendations; (ii) providing additional information relevant to the firms' assessment of their supervisory system to assist FINRA in understanding the conduct at issue; (iii) providing information about the corrective actions taken with respect to the supervisory violations set forth in this AWC, including procedural and control enhancements relating to the firms' supervision of 529 plan transactions in December 2016 that specifically prohibited the recommendation of Class C shares for beneficiaries under 12 years old; (iv) engaging in an extensive dialogue with FINRA about the appropriate way to identify the pool of affected customers and to calculate the amount of restitution; and (v) establishing a plan to identify customers for restitution and providing broad remediation to those customers.

B. Respondents also consent to the imposition of the following sanctions:

- a censure and
- restitution of \$3,367,929 plus interest as described below.

Restitution is ordered to be paid to the customers listed on Attachment A hereto that incurred excess fees due to their investments in Class C shares in the estimated total amount of \$3,367,929 million, plus interest at the rate set forth in Section 6621(a)(2) of the Internal Revenue Code, 26 U.S.C. 6621(a)(2). The interest amount shall be calculated based on the date that restitution amounts for each respective customer were first incurred until a calculation date, not unacceptable to FINRA staff, reasonably proximate to the actual date of payment.

Registered principals on behalf of Respondents shall submit satisfactory proof of payment of restitution and prejudgment interest (separately specifying the date and amount of each paid to each customer listed on Attachment A) or of reasonable and documented efforts undertaken to effect restitution. Such proof shall be submitted by email to EnforcementNotice@FINRA.org from a work-related account of the registered principals of Respondents. The email must identify Respondents and the case number and include adequate documentation demonstrating that the payment has been provided. This proof shall be provided by email to EnforcementNotice@FINRA.org no later than 270 days after the date of the notice of acceptance of the AWC.

If for any reason Respondents cannot locate any customer identified in Attachment A after reasonable and documented efforts within 270 days after the date of the notice of acceptance of the AWC, or such additional period agreed to by FINRA in writing, Respondents shall forward any undistributed restitution and interest to an appropriate escheat account. Respondents shall follow the standard escheatment process, adhering with each state's required time frames based on the state in which a customer is last known to have resided. Respondents shall provide satisfactory proof of such action to FINRA in the manner described above, within 30 calendar days of forwarding the undistributed restitution and interest to the appropriate escheat account.

Restitution payments to customers shall be preceded or accompanied by a letter, not unacceptable to FINRA, describing the reason for the payment and the fact that the payment is being made pursuant to a settlement with FINRA and as a term of this AWC.

Respondents specifically and voluntarily waive any right to claim an inability to pay, now or at any time after the execution of the AWC, the monetary sanction imposed in this matter.

The imposition of a restitution order or any other monetary sanction in this AWC, and the timing of such ordered payments, does not preclude customers from pursuing their own actions to obtain restitution or other remedies.

The sanctions imposed in this AWC shall be effective on a date set by FINRA.

II.

WAIVER OF PROCEDURAL RIGHTS

Respondents specifically and voluntarily waive the following rights granted under FINRA's Code of Procedure:

- A. To have a complaint issued specifying the allegations against them;
- B. To be notified of the complaint and have the opportunity to answer the allegations in writing;
- C. To defend against the allegations in a disciplinary hearing before a hearing panel, to have a written record of the hearing made, and to have a written decision issued; and
- D. To appeal any such decision to the National Adjudicatory Council (NAC) and then to the U.S. Securities and Exchange Commission and a U.S. Court of Appeals.

Further, Respondents specifically and voluntarily waive any right to claim bias or prejudgment of the Chief Legal Officer, the NAC, or any member of the NAC, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including its acceptance or rejection.

Respondents further specifically and voluntarily waive any right to claim that a person violated the ex parte prohibitions of FINRA Rule 9143 or the separation of functions prohibitions of FINRA Rule 9144, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including its acceptance or rejection.

III.

OTHER MATTERS

Respondents understand that:

- A. Submission of this AWC is voluntary and will not resolve this matter unless and until it has been reviewed and accepted by the NAC, a Review Subcommittee of the NAC, or the Office of Disciplinary Affairs (ODA), pursuant to FINRA Rule 9216;
- B. If this AWC is not accepted, its submission will not be used as evidence to prove any of the allegations against Respondents; and
- C. If accepted:
 - 1. this AWC will become part of Respondents' permanent disciplinary record and may be considered in any future action brought by FINRA or any other regulator against Respondents;
 - 2. this AWC will be made available through FINRA's public disclosure program in accordance with FINRA Rule 8313;
 - 3. FINRA may make a public announcement concerning this agreement and its subject matter in accordance with FINRA Rule 8313; and
 - 4. Respondents may not take any action or make or permit to be made any public statement, including in regulatory filings or otherwise, denying, directly or indirectly, any finding in this AWC or create the impression that the AWC is without factual basis. Respondents may not take any position in any proceeding brought by or on behalf of FINRA, or to which FINRA is a party, that is inconsistent with any part of this AWC. Nothing in this provision affects Respondents' testimonial obligations or right to take legal or factual positions in litigation or other legal proceedings in which FINRA is not a party.
- D. Respondents may attach a corrective action statement to this AWC that is a statement of demonstrable corrective steps taken to prevent future misconduct. Respondents understand that it may not deny the charges or make any statement that is inconsistent with the AWC in this statement. This statement does not constitute factual or legal findings by FINRA, nor does it reflect the views of FINRA.

The undersigned, on behalf of WFA, certifies that a person duly authorized to act on WFA's behalf has read and understands all of the provisions of this AWC and has been given a full opportunity to ask questions about it; that WFA has agreed to the AWC's provisions voluntarily; and that no offer, threat, inducement, or promise of any kind, other than the terms set forth in this AWC and the prospect of avoiding the issuance of a complaint, has been made to induce WFA to submit this AWC.
